

FOL EXECUTIVE BOARD MEETING MINUTES, 6/24/20

Given the Covid-19 crisis and the state's shelter-in-place policy, this meeting occurred using the Zoom Platform.

Welcome

In attendance: Sarah Groleau, Donna-Marie Tung, Anne Cunningham and Harriet Fishman.

Based upon the May 2, 2020 Annual Meeting, at which time the Board of Director's voted to:

Mail the Newsletter highlighting all the great things going on at the Library (virtually or otherwise), offer much thanks to Elizabeth for the amazing job she has done as our Librarian - she continues to instill a sense of community and connection for both Freedom residents and other library patrons during this time of social distancing - and make a "soft" fundraising request asking those who are so able, to consider donating to the Library.

In the Newsletter, the Executive Committee decided to include:

The amount we wish to fundraise.

A reminder about Corporate Matching funds and the use of Amazon Smile.

We discussed how to reach others who will not receive the Postal Patron mailing. We will post a link on the Freedom Town Bulletin Board, the Lake Ossipee Facebook page and send an email (or regular mail?) with the Newsletter to those library members who have agreed to allow the Library to share their addresses. There may be other avenues in which our message can get out; for example, Anne will follow-up to determine whether Bay Berry Association will allow us to link to its members.

After some discussion about timing, the Executive Committee determined we would wait until the end of July to mail the Newsletter.

On a side note, the Executive Committee authorized the purchase of 2 passes: Squam Lake and Remick Farm, both of which provide outdoor activities.

Respectfully submitted,

Harriet Fishman
